

RAILVEYOR™

Doe Run Company Casteel-Buick Mine Tour

Welcome to the Railveyor Doe Run Tour!

On behalf of Railveyor, we are pleased to have you and your colleagues join us for a tour of the Buick Mine & Mill in Southeastern Missouri. Your team will observe a Railveyor material haulage system in operation, ask questions to Doe Run staff about system installation & performance and get to know the Railveyor team on an individual level. **Please direct further questions to your Railveyor Sales & Marketing contact.** See you in Missouri!

Tour Schedule:

8:00am - Safety briefing
8:30am - Cage to underground tour
12:00pm - Tour concludes, go to lunch
5:00pm - Dinner in Farmington, MO

Health & Safety: At publication time, face masks are not required but no one with symptoms of illness will be allowed on site. Steel toed boots will be provided. Hi-visibility safety vests must be worn at all times and should be brought by the attendee.

Photo & Video Policy: Images may be captured by tour groups, but only of Railveyor components. No other components or operations may be captured, except as the background of a group photo.

Location:

[270 Forest Road 2231](#)
[Boss, MO 65440](#)
[United States](#)

Travel: It is recommended to arrive in Missouri at least one day in advance of the tour. Departure flights may be scheduled for the evening after the tour or the following morning.

Commercial Flights: [St. Louis Lambert International Airport](#) (IATA: STL, ICAO: KSTL, FAA LID: STL) supports all major airlines. 2 hours from the hotel.

Private Aircraft:

Both airports have no limitations on aircraft - pilot's discretion. Not 24/7 - contact mgmt for after hours use. Refueling available.
